KANSAS BULLETIN NO. KS230-14-2

SUBJECT: EOP—Annual Kansas Civil Rights Achievement Awards

Action Required by: August 1, 2014

Purpose: To solicit nominations for the subject awards

Expiration Date: September 30, 2015

Kansas Civil Rights (CR) Achievement Awards were designed to honor individuals and groups for outstanding achievements in the planning and execution of CR activities within the Natural Resources Conservation Service (NRCS) agency and the community.

Outstanding achievements can be defined in many ways. Some examples can be found on the Kansas Civil Rights Advisory Committee (CRAC) home page at the following link: [Kansas CRAC Page](#).

The CRAC makes recommendations to the state conservationist based on employee input regarding recipients. The purpose of the award is to recognize extra efforts in the CR arena. We know numerous field offices and individuals go above and beyond in their CR activities. We are asking that all offices please participate in the recommendation process to help us make it possible to recognize those who truly make a difference.

Form [KS-EOP-1](#), Kansas CR Achievement Award Recommendation, should be used to submit a recommendation. While recommendations can be submitted at any time throughout the year for consideration, all recommendations must be submitted **no later than August 1, 2014**. Please send forms directly to Daniel H. Meyerhoff, CRAC Chairperson.

Contact: Daniel H. Meyerhoff, CRAC Chairperson, (785)-625-2588 or daniel.meyerhoff@ks.usda.gov.
